Dear Mr Alexander

Thank you for your letter of 28 March.

I regret that due to the poor health of my wife and the difficulties in organising adequate care for her that I am at present unable to take up the matters you raise concerning the Healthwatch Regulations.

I am sorry not to be able to be more helpful.

A handwritten signature in black ink, which appears to read "Norman Tebbit". The signature is written in a cursive style with a long horizontal line underneath.
